

Tony Meyer

Senior Consultant

Tony Meyer is a consultant specializing in executive compensation at Meridian Compensation Partners, LLC. He has 7 years of experience working with compensation committees and management on a broad range of executive compensation issues, including philosophy and strategy, short- and long-term incentive design, pay-for-performance objectives and goal-setting, corporate governance practices, employment contracts, executive/board of director compensation benchmarking, retirement and deferral programs, change-in-control and severance provisions, IRC Section 280G calculations and the technical aspects of executive compensation. Prior to joining Meridian, Tony worked as a public accountant. He audited and gave tax assistance to clients in various industries.

He has worked with both public and private companies from a broad range of industries, including consumer goods, energy, healthcare, financial services, industrial and materials. These companies also vary in size, including large, small and mid-cap entities.

Tony has published articles and spoken on various executive compensation topics.

Tony is an attorney and a Certified Public Accountant. He is a graduate of the University of Notre Dame and received a law degree from Marquette University Law School, along with an M.B.A. from Marquette University Graduate School of Management. He is also a Certified Executive Compensation Professional as designated by WorldatWork.

Tony is located at the company's Lake Forest, IL office.
