

Allison Sharp Consultant

Allison joined Meridian as a Summer Associate in 2022 and began working as a full-time consultant in 2023. She consults on a wide range of executive compensation matters, including executive and outside director benchmarking, short and long term incentive plan design, and peer group analysis. Allison has worked with publicly traded companies across a variety of industries.

Prior to joining Meridian, Allison earned her Bachelor of Arts degree from the University of Notre Dame, majoring in Political Science with a minor in European Studies.
